Our driver will meet you in the Arrivals Lounge (he/she will hold a sign with your name on it) and will take you directly to introduce you to your host family.

NOTE: If you can book flights to Manchester, Liverpool or Birmingham Airports, your onward journey will be quicker & cheaper. Nottingham East Midlands and Coventry Airports offer an increasing number of attractive flight options and are also easily accessible.

Arrival/Departure place	Price of 1-way transfer* <small>see notes below</small>
Birmingham Airport / Manchester / Liverpool Airports	£90
Nottingham East Midlands / Coventry Airports	£105
London Heathrow / Luton Airports	£185
London Gatwick / Stansted / City Airports	£215

Please ensure that you inform us of all flight details (arrival/departure times, flight nos., airports etc.) for arrival & departure flights.

*Important notes & conditions regarding airport transfers:

- If 2, 3 or 4 students arrange courses and transfers together (as a small 'group') they will share the above transfer costs, but this will only apply if the students all book at the same time – invoices cannot be adjusted later
(note that there will be a higher charge if more than 4 students travel together as this will require a larger vehicle.)
- Students under 16 years old who book departure transfers must **ADD £38** to the above departure transfer fees
(this is to cover the additional cost of driver waiting time, because the driver may be requested by the airline to wait until the flight has taken off before departing.)
- Severn Vale reserves the right to carry extra passengers in the same vehicle without compensation or refund
(this is occasionally necessary in the event of last-minute changes to flights, delayed arrival/departure flights, and traffic problems.)

KEEPING US INFORMED

You don't need to send us your flight information when you book the course, but please ensure that you inform us of all flight details (times, flight numbers, connections, airports you are flying from/to etc.) for arrival & departure flights as soon as these are arranged.

*Acceptance on the IELTS Accelerator course is subject to level test outcome. If the student does not meet the level requirements of the course they will be notified of a transfer to the Express course.
